OUR MISSION
The mission of Crossings Christian School is to partner with parents and church to develop students into Christ-centered servant leaders who are academically and spiritually prepared for college and life.

OUR SCHOOL
Founded in 2001 with just 39 preschool students, Crossings Christian School is now the largest private school in Oklahoma City with over 1,185 students in preschool through twelfth grade. The tremendous growth is indicative of our community’s desire for a school with a college preparatory curriculum in a Christian environment.

In the 2020-21 school year
• approximately 13% of students represent diverse backgrounds
• approximately 20% of students receive tuition assistance

Total Enrollment for 2021-22 - 1,185 students
Lower School (Grades PS-4) 545
Middle School (Grades 5-8) 323
Upper School (Grades 9-12) 317

OUR CURRICULUM
For the upper school, the academic program is organized by seven 50 minute class periods. The academic year is divided into two semesters, each approximately 18 weeks in length. Students are required to take six, for-credit classes per semester. All students must earn 24 credits to graduate and many earn the Distinguished Achievement diploma which requires 27 credits. In addition, each student must complete the 100 hour service hour community service graduation requirement.

COVID-19 RESPONSE
In spring 2020, CCS shifted to remote learning for the rest of the school year. While the well-being of our teachers and students was the priority, our expectations remained high. Teaching and learning continued. Assignments were graded and tests and quizzes were administered. Students earned grades that reflect the mastery of the course content. With Covid-19 protocols in place, CCS returned to in-person school for the 2020-21 school year.

*To earn a Distinguished Achievement diploma at least one AP or Dual Credit class must be taken. Also, a student must earn either three credits in the same foreign language, or three credits in a concentrated specialty, or four credits of AP/Dual coursework.

If a student has been found responsible for a disciplinary violation that results in out-of-school suspension in grades 9 through 12, it is Crossings Christian School’s policy to report the incident to any college or university that requests such information.
